The New Art Dealers Alliance—NADA, for short—has announced the exhibitor list for its NADA Miami 2018 fair, which is set to take place from December 6 to 9 at Ice Palace Studios.

NADA Miami's 16th edition will feature 125 galleries and organizations from 23 countries. Among the first-time exhibitors at the fair are New York's Housing gallery and Warsaw's Wschód Gallery.

Last month, NADA cancelled the 2019 edition of its New York fair, citing a need to “deploy new initiatives that will best serve our members.” The forthcoming Miami edition would be unaffected by the cancellation of the New York one, NADA said at the time.
